

EDWARD MASON

Basingstoke/Birmingham, UK
eapmason@icloud.com | (+44)7597992645

Summary

Driven final-year undergraduate geographer, interested particularly in cultural geography and urban design. Digitally skilled in GIS and R, as well as critical thinking, report writing, and public speaking. A natural leader with an eye for organisation. Experience in the workplace as well as in multiple voluntary positions, particularly in a church context.

Key Skills

- Organisation and time management: for example, whilst at university, was the treasurer of a large society, as well as organising utilities for shared house
- Ability to speak publicly: for example, gave children's talks during time as a church worker, and in group presentations at university
- Natural leader, good teamwork and delegation, communication skills: for example, led school's student newspaper for several years, on the committee of a large society at university
- Critical thinking and writing skills: for example, wrote several reports for university (on smartphone policy), at Bournville Village Trust (planning guide review), and as a church worker (technical documentation)
- Avid reader, widely read across many topics, including technology, culture, and philosophy
- Excellent digital skills: proficient in using specialised software such as QGIS, as well as multiple programming languages including JavaScript, HTML, CSS, and R

Education

Bachelor of Arts, Geography | University of Birmingham | 2024 - Present

Expected grade 2:1

- Further developed writing, critical thinking, and reading skills whilst at university
- Learnt how to use GIS software (QGIS), and to program in R
- Developed communication and leadership skills as course rep in first year
- Modules included Hydroclimatology, Natural Hazards, Urban Geography, Digital Data Capture and Analysis, Environmental Research in High Latitudes, Governance of Environmental and Energy Transitions, Urbanity and Wellbeing, Geopolitics and Global Challenges
- Dissertation research titled "*How has technology use changed the culture and practices of church communities and spaces? An exploration of Geographies of Religion and Technology in Birmingham, UK*"
- Extra-curricular German A1 course

A-Levels | Peter Symonds College, Winchester | 2021 - 2023

- Geography (A)

- Maths (B)
- Physics (C)
- Extended Project Qualification (A), looked at the changes to railway management in the United Kingdom, relating to the recent announcements around renationalisation
- Learnt referencing, writing long-form essays, how to form structured arguments, critical thinking applied to reading and writing

GCSEs | Bishop Challoner Catholic Secondary School, Basingstoke | 2016 - 2021

Achieved grades three 9s, three 8s, four 7s, and an FSMQ (Additional Maths) at C

- Deputy Head Boy
- Editor of the student-led school newspaper for several years, developing leadership, writing and editing skills
- Heavily involved in extra-curricular music, both in and out of school

Work Experience

Bournville Village Trust

Student Consultant | Jun 2026

- Undertook a short internship reviewing part of Bournville Village Trust's Design Guide
- Developed skills in policy analysis and report writing, and an opportunity to put planning theory into practice
- The final report will be incorporated into a wider revision of the guide

Freelance

Web Developer | Jul 2025 – Present

- Undertook three projects during time at university
    - Updated the Christian Union's website
    - Redesigned the blog of Sax Bandits, making extensive use of CSS
    - Built a website from scratch for a church's summer holiday club, including voting functionality
- Acquired proficiency in WordPress, JavaScript, CSS, HTML, and React

St Mary's Church, Basingstoke

Gap Year Trainee | Sep 2023 – Sep 2024

- Assisted with youth and children's work during the week and on Sundays
- Helped to manage tech (audio and visuals) and assisted with church administration
- Attended theological training one day a week in Oxford, which fed back into the role during the rest of the week
- Gained confidence in public speaking and grew in writing and time management skills, as well as reading skills and theological understanding

Voluntary Experience

Grace Church Stirchley

Youth Team | Mar 2025 – Present

- A leader on the youth team of a local church
- Produced materials for use during these sessions, further developing writing and communication skills

University of Birmingham Christian Union
Treasurer | Mar 2026 – Present

- Responsible for finances of large society with membership of 200, including regular fundraising in the region of £30,000 per year
